PETITIONING THE COURT

To incorporate the violation(s) contained in this petition in future proceedings with the violation(s) previously reported to the Court on 11/23/2021. Mr. Clark is set to appear for a detention hearing on December 14, 2021.

The probation officer believes that the offender has violated the following condition(s) of supervision:

<u>Violation Number</u>	<u>Nature of Noncompliance</u>
-------------------------	--------------------------------

7

Special Condition #6: You must abstain from the use of illegal controlled substances, and must submit to urinalysis and sweat patch testing, as directed by the supervising officer, but no more than 6 tests per month, in order to confirm continued abstinence from these substances.

Supporting Evidence: Mr. Clark is alleged to have violated the terms of his supervised release by using a controlled substance, methamphetamine, on or about December 7, 2021.

On February 26, 2021, the judgment and sentence was reviewed telephonically with Mr. Clark due to the COVID-19 limitations. Mr. Clark stated he understood the conditions of his term of supervised release, which included special condition number 6.

Following Mr. Clark's initial appearance on December 9, 2021, Mr. Clark was directed to report to the probation office and was requested that he submit to a drug test. Mr. Clark tested positive for marijuana and methamphetamine. At that time, Mr. Clark denied any continued use of marijuana since the end of October 2021. Mr. Clark, however, did admit to using methamphetamine approximately 2 days prior, on or about December 7, 2021.
